

CURRICULUM VITAE

4/23

Daniel S. Shaw

Department of Psychology
Sennott Square Building, Room 4101
210 South Bouquet Street
University of Pittsburgh
Pittsburgh, PA 15260-0001

Office Phone: (412) 624-1836
Office FAX: (412) 624-8827
Email: casey@pitt.edu

BIOGRAPHICAL DATA

Born: February 8, 1958
Marital Status: Married, three children
Home Address: 116 Gladstone Road
Pittsburgh, PA 15217

EDUCATION

B.A. Oberlin College, 1980 (Psychology)
M.A. University of Virginia, 1985 (Psychology)
Ph.D. University of Virginia, May 1988
Major: Clinical Psychology
Minor: Developmental Psychology

LICENSURE

Psychologist, PS-006174-L in the Commonwealth of Pennsylvania
Issued December 20, 1991

ACADEMIC HONORS

Fellow, American Psychological Association, Division 7, Developmental Psychology,
2023-

Recipient, Provost's Award for Excellence in Doctoral Mentoring, University of Pittsburgh,
2023

Fellow, Society for Prevention Research, 2020-

Ralph and Eve Seelye Charitable Trust Fellowship, Department of Psychological Medicine,
University of Auckland, Auckland, New Zealand, 2016

Faculty Public Speaker Award, Faculty of Human Sciences, Macquarie University, Sydney,
Australia, 2016

Robert B. Cairns Award for Contributions to Developmental Science, Carolina Consortium
on Human Development, University of North Carolina, 2015

Friend of Early Career Preventionist Network Award for Mentoring, Society for Prevention
Research, 2011

Fellow, American Psychological Association, Division 53, Clinical Child and Adolescent Psychology, 2005-

Astor Travel Award, Oxford University, United Kingdom, 2005

Fellow, Association for Psychological Science, 2006-

Research Scientist Award (K02), National Institute of Mental Health, 1999-2009

Senior Research Scientist Award (K05), National Institute on Drug Abuse, 2009-2014

Boyd R. McCandless Young Scientist Award, Division 7, Developmental, American Psychological Association, 1995

First Independent Research Support and Transition (FIRST) Award, National Institute of Mental Health, 1991-1996

Young Scholar Award, Life History Society Conference, 1990

Dupont Fellowship, University of Virginia, 1983-84

Governor's Fellowship, University of Virginia, 1982-83, 1984-86

PROFESSIONAL EXPERIENCE

2023- *Secondary Appointment*, Department of Pediatrics, School of Medicine, University of Pittsburgh

2019- *Family Check-Up Executive Board*

2018- *Secondary Appointment*, Applied Developmental Program, Department of Psychology in Education, School of Education, University of Pittsburgh

2017- *Founding Director*, Center for Parents and Children, Department of Psychology, University of Pittsburgh

2017- *Professor of Clinical and Translational Science Institute* (Secondary Appointment), University of Pittsburgh

2016- *Distinguished Professor of Clinical and Developmental Psychology*, Department of Psychology, University of Pittsburgh

2015- *Research Partner*, Institute for the Reduction of Youth Violence, Simon Fraser University, Burnaby, British Columbia, Robert McMahon, Director

2014- *Affiliated Scientist*, Prevention Science Institute, University of Oregon

2014-2016 *Executive Committee*, Brain Institute, University of Pittsburgh

2012-2015 *Board of Directors*, Society for Prevention Research

2013-2015 *Director of Publications Committee*, Society for Prevention Research

2009- *Faculty Associate*, Center on Race and Social Problems, University of Pittsburgh

2008-2016 *Chair*, Department of Psychology, University of Pittsburgh

2002-2013 *Behavioral Scientist*, Child and Family Center, Department of Psychology, University of Oregon

2001 *Interim Director of Clinical Training*, Clinical Psychology Program, University of Pittsburgh

2000- *Faculty Associate*, University Center for Social and Urban Research, University of Pittsburgh

1990, 92, 97-98 *Director of Psychology Clinic*, Clinical Psychology Program, University of Pittsburgh

1989-2016 *Assistant to Associate to Full Professor of Clinical and Developmental Psychology*, Department of Psychology, University of Pittsburgh

| | |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1989- | <i>Assistant to Associate to Full to Distinguished Professor of Psychiatry</i> (Secondary Appointment), School of Medicine, University of Pittsburgh |
| 1987-1988 | <i>Clinical Intern</i> , Department of Psychiatry and Behavioral Medicine, Medical College of Hampton Roads, Norfolk, Virginia |
| 1986-1987 | <i>Psychology Intern</i> , Department of Family Practice, Primary Care Center, University of Virginia Hospital, Charlottesville |
| 1984-1986 | <i>Clinical Trainee</i> , Center for Psychology Services, Institute of Clinical Psychology, University of Virginia |
| 1983-1984 | <i>Clinical Intern</i> , Juvenile & Domestic Relations Court, Charlottesville-Albemarle County, Charlottesville, Virginia |
| 1983-1986 | <i>Research Assistant and Children's Group Leader</i> , Project on Children of Battered Women, University of Virginia, Charlottesville |
| 1983-1987 | <i>Research Assistant</i> , Project on the Effects of Divorce Mediation on Children's Adjustment, University of Virginia |
| Summer, 1983 | <i>Intern</i> , Los Angeles Conciliation Court, Family Mediation and Conciliation Services, Los Angeles, California |
| 1980-1982 | <i>Research Assistant</i> , Department of Behavioral Medicine, Children's Hospital National Medical Center, Washington D.C. |

GRANTS

Wanless, S., Shaw, D. S., & Huguley, J. (2023-2025). *Linking university-community initiatives across developmental stages*. University of Pittsburgh Momentum Funds, \$400,000.

Westling, E., Shaw, D. S. (MPI), & Brown-Iannuzzi, J. (2023-2027). *Preventing adult mental health problems from early childhood in the context of genetic susceptibility, poverty, racism, and the COVID-19 pandemic*. National Institute of Mental Health (NIH), \$3,801,453.

Kazmerski, T. et al., Shaw, D. (Co-I) (2022-2027). *Health Outcomes of Parents with Cystic Fibrosis*. National Heart, Lung, and Blood Institute (NIH), \$3,791,124.

Mendelsohn, A., Shaw, D. S. (MPI), Morris, P., & Gross, R. (2022-2027). *Mitigating Adverse Effects of COVID-19 through Preventive Interventions for Families with Young Children Living in Poverty: Linking Data from Three Cities with Diverse Risks and Exposures*. National Institute for Child Health, and Human Development (NIH), \$4,030,120.

Catov, J., & Shaw, D. S. (MPI) (2022-2029). *Expanding the Family Check-Up in Early Childhood to Promote Cardiovascular Health of Mothers and Young Children*,. National Heart, Lung, and Blood Institute (NIH), \$5,494,210.

Tein, J-Y, Lemery-Chalfant, K., Shaw, D. S. (Co-I), Westling, E., & Brown-Iannuzzi, J. (2022-2026). *Parent-Child Interaction Dynamics Mediate Genetic and Prevention Effects on the Development of Adolescent Substance Use Disorders*. National Institute on Drug Abuse (NIH), \$1,882,200.

Shaw, D. S. (2022). *Piloting of Family Check-Up Heart Program at WIC Centers in Allegheny County*. Pennsylvania Department of Health, \$75,000.

Shaw, D.S., Gill, A., & Guyon-Harris, K. (2022-2023). *Implementing the Family Check-Up Across Multiple Platforms in Allegheny County for Families with Young Children*. Department of Human Services, Allegheny County, PA, \$870,000.

Shaw, D. S., Malen, A. Allegheny County Department of Human Services, Shaw, D. S. (2021-2023). *Supporting the Hello Baby Initiative*. The Heinz Endowments, \$800,000; \$400,000 subcontract to Pitt.

Morris, P. A., Mendelsohn, A. L., & Shaw, D. S. (MPI) (2021-2023). *Buffering effects of a tiered preventive model on parent adjustment, parent-child relational health, and child psychosocial development post COVID-19*. National Institutes of Health Office of the Director and National Institute of Mental Health, \$324,208.

Marsland, A. L., Shaw, D. S. (MPI), & Votruba-Drzal, E. (2021-2026). *Childhood Antecedents of Adult Cardiometabolic Health: A Prospective Study of Low-Income Men*. National Heart, Lung, and Blood Institute (NIH), \$3,734,232.

Shaw, D. S. (Master PI), Westling, E., & Wilson, M. N. (2020-2022). *The Effects of COVID-19 on Substance Use, Mental Health, and Service Utilization in the Early Steps Multisite Longitudinal Study*, National Institute on Drug Abuse, \$150,591.

Shaw, D. S. (Master PI), Wilson, M. N., & Westling, E. (2019-2022). *Preventing Substance use in Context of Poverty: Risk and Protection from Early Childhood to Early Adulthood*, National Institute on Drug Abuse, \$2,259,924.

Connell, A., Stormshak, E., Shaw, D. S. (Co-I), Wilson, M. N., Westling, E., & Ha, T. (2019-2023). *Long-Term Effects of the Family Check-Up on Depression and Suicide Across Trials and Development*. National Institute of Mental Health, \$948,773.

Morris, P., Shaw, D. S. (MPI), & Mendelsohn, A. (2019-2024). *Integrated Model for Promoting Parenting and Early School Readiness in Pediatrics: Follow-Up and Getting Ready for Scale*. R01, National Institute for Child Health and Human Development, \$5,592,710.

Shaw, D. S. (2019-2022). *The Early Childhood Cohort of the Pittsburgh Study: Years 2 to 4 of Implementation*. Children's Hospital of Pittsburgh Foundation, \$2,655,406.

Shaw, D. S., Bogen, D., & Mendelsohn, A. (2019-2020). *Implementing Smart Beginnings in Early Intervention Services for Families with Opiate-Exposed Infants*. Office of Child Development and Early Learning, Pennsylvania Department of Human Services, \$220,217.

Shaw, D. S., & Bogen, D. (2018-2019). *Planning Year for the Early Childhood Cohort of The Pittsburgh Study*. Children's Hospital of Pittsburgh Foundation, \$713,000.

Shaw, D. S., & Gill, A. (2018-2022). *Using the Family Check-Up in Family Support Centers*. Home Visiting Expansion Funds, Office of Child Development and Early Learning, Pennsylvania Department of Human Services, \$972,418.

Shaw, D.S. (2016-2017). *Providing Resources for Integrated Model for Promoting Parenting and School Readiness in Pediatrics: Initial Recruitment*. Allegheny County Department of Human Services, \$30,000.

Shaw, D. S. (Master PI), Dishion, T. J., & Wilson, M. N. (2017-2020). *Diversity Supplement to Early Family Prevention of Adolescent Alcohol, Drug Use, and Psychopathology*, National Institute on Drug Abuse, to Lynissa Stokes, \$225,534.

Shaw, D. S. (Master PI), Dishion, T. J., & Wilson, M. N., PIs (2014-2019). *Early Family Prevention of Adolescent Alcohol, Drug Use and Psychopathology*, R01, National Institute on Drug Abuse, \$7,636,476.

Ridenour, T., Shaw, D. S. (MPI) (2014-2019), *Substance Use Screening and Prevention for Adolescents in Pediatric Primary Care*, R01, National Institute on Drug Abuse, \$3,284,823.

Morris, P., Shaw, D. S. (MPI), & Mendelsohn, A. (2014-2019), PIs, *Integrated Model for Promoting Parenting and Early School Readiness in Pediatrics*, R01, National Institute for Child Health and Human Development, \$6,339,370.

Shaw, D.S. (Master PI), & Forbes, E. (2012-2014). *Establish Sharing of Human Brain Image Data Relevant to Drug Addiction: Supplement to Substance Use in Young Men: Genes, Brain Function, and Early Social Development*, R01, National Institute on Drug Abuse, \$297,066.

Shaw, D.S. (Master PI), Forbes, E., Hariri, A., Cheong, J., Conger, R., Williamson, D., & Moilanen, K. (2009-2014). *Substance Use in Young Men: Genes, Brain Function, and Early Social Development*, R01, National Institute on Drug Abuse, \$3,930,466.

Shaw, D.S. (2009-2014). *New Methods in Basic and Applied Research on Drug Use Risk*, Senior Research Scientist Award (K05), National Institute on Drug Abuse, \$637,145.

Shaw, D. S. (Master PI), Dahl, R., S., Gill, A., Rofey, D., Votruba-Drzal, E., & Goldstein, T. (2009-2014). *Health Promotion in Early Adolescence: Sleep, Activity, and Emotion Regulation*, R01, National Institute for Child Health and Human Development, \$2,722,105.

Bayer, J. K., Hiscock, H., Wake, M. A., Sanson, A. V., Ukoumunne, O., & Shaw, D. S. (Co-I) (2009-2014). *Preventing mental health problems in children: A population-based cluster controlled trial*. Public Health and Health Services, Australian Research Council, \$316,027.

Shaw, D.S. (Master PI), Dishion, T. J., & Wilson, M. N. (2008-2013). *Understanding and Preventing Childhood Drug Use Risk*. Linked multisite R01, National Institute on Drug Abuse, \$3,884,510 for Pittsburgh site.

Shaw, D. S. (Master PI), Cheong, J., Dishion, T. J., & Wilson, M. N. (2007-2012). *Parental Involvement, Extra-Familial Contexts, and Prevention of Drug Use Risk*, National Institute on Drug Abuse, \$4,744,759.

Supplee, L., & Shaw, D. S. (Co-I) (2005-2007). *Early Maternal Strategy Instruction in an At-Risk Sample*. National Institute on Drug Abuse, \$148,500.

Shaw, D.S. (2004-2009). *Basic and Applied Methods in Developmental Psychopathology*. National Institute of Mental Health, \$550,631, Research Scientist Award.

Shaw, D.S. (Master PI), & Dishion, T. (2004-2009). *Pathways to Early- and Late-Starting Antisocial Behavior*. National Institute of Mental Health, \$3,512,050.

Shaw, D.S. (2002-2007). *Early Family-Centered Prevention of Drug Abuse*. National Institute on Drug Abuse, site for multisite project, T. Dishion, Project PI, \$2,928,327, total Project: \$10,114,352.

Shaw, D.S. (2002-2007). *Early Child-Parent Interaction Risk Factors*. Part of Program Project Grant: *Risk Factors in Childhood-Onset Depression*. National Institute of Mental Health, M. Kovacs, Project PI, \$1,775,144, total Program Project: \$14,659,270.

Reiss, D., Neiderhiser, J., Reid, J., Leve, L., Ge, X., Conger, R., Scaramella, L., Cadoret, R., & Shaw, D.S. (Co-I) (2002-2007). *Genes, Families and the Toddlerhood Transition*. National Institute of Child Health and Development, subcontract \$266,261, total costs of grant: \$7,588,238.

Jones, D., Matthews, K., & Shaw, D.S. (2001). *Effect of Maternal Depression on Children's Health*. Pittsburgh Mind Body Center Pilot/Feasibility Research Center, National Institutes of Health, \$12,458.

Shaw, D.S. (Master PI), Dishion, T., & Gardner, F. (2000-2003). *A Family-Based Prevention for Early Conduct Problems*, National Institute of Mental Health, \$786,827.

Shaw, D.S. (1999-2004). *Developmental Pathways of Child Conduct Problems from Infancy to School-Age*, National Institute of Mental Health, \$3,269,080.

Shaw, D.S. (1999-2004). *Understanding Childhood Conduct Problems and Depression*, Research Scientist Award, National Institute of Mental Health, \$510,578.

Shaw, D.S., & Kovacs, M. (1997-2002). *Early Child-Parent Interaction Risk Factors*. Part of Program Project Grant: *Risk Factors in Childhood-Onset Depression*. National Institute of Mental Health, \$1,566,074, total Program Project \$11,524,466.

Baum, A., & Shaw, D.S. (1995). *Stress and Suicide Among Children of Cancer Patients*, American Foundation for Suicide, \$5,000.

Shaw, D.S. (1995-1997). *Research Training Grant for Minority Graduate Students*, to Monica Garcia, National Institute of Mental Health, \$29,724.

Shaw, D.S. (1994-1999). *Precursors of Antisocial Behavior: Follow Up to Age 6*, National Institute of Mental Health, \$1,929,513.

Shaw, D.S. (1994). *Freshman Seminar Grant*, College of Arts and Sciences, University of Pittsburgh, \$500.

Vondra, J.I., & Shaw, D.S. (1993-1996). *The Family Growth Center Pilot Project: A Longitudinal Evaluation Study*, Pittsburgh Child Guidance Foundation, \$45,000.

Vondra, J.I., & Shaw, D.S. (1992-1995). *The Family Growth Center Pilot Project: A Longitudinal Evaluation Study*, Jewish Health Foundation, \$86,000.

Shaw, D.S. (1991-1996). *Developmental Precursors of Antisocial Behavior*, National Institute of Mental Health, \$476,556.

Shaw, D.S. (1991). *Developmental Precursors of Antisocial Behavior*, Central Research Development Fund, University of Pittsburgh, \$11,993.

Shaw, D.S. (1990). *Developmental Precursors of Antisocial Behavior*, Faculty of Arts and Sciences Grants Program, University of Pittsburgh, \$850.

Shaw, D.S. (1989). *The Effects of Maternal Depression on Infant Development*, Mental Health Clinical Research Center for Affective Disorders, University of Pittsburgh, \$4,795.

Shaw, D.S., & Vondra, J.I. (1989). *Adaptive and Maladaptive Infant Development in Low-Income Families*, Office of Child Development, University of Pittsburgh, \$4,980.

Vondra, J.I., & Shaw, D.S. (1989). *The Origins of Coping, Motivation, and Competence*, Buhl Foundation in conjunction with the School of Education, University of Pittsburgh, \$9,950.

MANUSCRIPTS UNDER REVIEW OR IN PREPARATION

Lipscomb, S. T., Leve, L. D., Shaw, D. S., Ge, X., Neiderhiser, J. M., & Reiss, D. Parenting and child difficulty during the infant and toddler years: Developmental trajectories within and across domains. Resubmitted to *Developmental Psychology*.

Hajal, N. J., Neiderhiser, J. M., Moore, G. A., Leve, L. D., Shaw, D. S., Ge, X., Scaramella, L. V., Reid, J. B., & Reiss, D. Infant temperament, parenting, and marital quality: Evidence for genotype-environment correlation. Submitted to *Journal of Family Psychology*.

Marceau, K., Laurent, H. K., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Fisher, P., & Leve, L. D. Combined influences of genes, prenatal environment, cortisol, and parenting on the development of children's internalizing vs. externalizing problems. Resubmitted to *Developmental Psychology*.

Choe, D., Shaw, Galán, C. A., D. S., Dishion, T. J., & Wilson, M. N. Neighborhood poverty in early childhood and children's school-age academic skills: A Bayesian class growth analysis of neighborhood deprivation. Submitted to *Social Development*.

Henry, D. A., Blatt, L., Votruba-Drzal, E., & Shaw, D. S. Timing-specific links between family income in childhood and well-being in early adulthood among a sample of disadvantaged boys. Submitted to *Academic Pediatrics*.

Cree, R. A., Leve, L. D., Neiderhiser, J. M., Connell, C. M., Ganiban, J., Smith, M. V., Shaw, D., Gueorguieva, R., Natsuaki, M. N., Reiss, D. Interviewer ratings and self-reports of parenting in infancy: a cross method comparison. Resubmitted to *Parenting: Science and Practice*.

Stepanyan, S. T., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Reiss, D., Brooker, R., & Leve, L. D. Linking early onset of puberty and parenting via environmental pathways: Evidence from an adoption study. Submitted to *Journal of Family Psychology*.

Burt, A. S., Johnson, W., Leve, L. D., Natsuaki, M. N., Reiss, D., Shaw, D. S., Ganiban, J., & Neiderhiser, J. M. The common understanding of environmental influences on academic achievement may not be correct. Submitted to *Behavioral Genetics*.

Oro, V., Clifford, S., Shaw, D. S., Wilson, M. N., & Lemery-Chalfant, K. Intervention effects mitigate the association between polygenic risk for aggression and observed effortful control in early childhood. To be submitted to *Developmental Psychology*.

Griffin, A. M., Leve, L. D., Natsuaki, M. N., Harold, G. T., Neiderhiser, J. M., Ganiban, J. M., Shaw, D. S., & Reiss, D. Child externalizing behavior, child inhibitory control, and maternal hostility in middle childhood: A siblings-reared-apart study. To be resubmitted to *Journal of Child Psychology and Psychiatry Advances*.

Wechsler, D., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., Natsuaki, M., Reidss, D., Rijdsdijk, F., & McAdams, T. Do parental hostility and warmth mediate associations between early symptoms of ADHD and later ODD and anxiety? A longitudinal adoption-at-birth investigation. Submitted to *Journal of Research on Adolescence*.

Clifford, S. C., Oro, V., Elam, K., Shaw, D. S., Wilson, M. N., & Lemery-Chalfant, K. Moderation of associations between polygenic risk for alcohol use and childhood inhibitory control: A randomized controlled intervention study. To be resubmitted to *Journal of Consulting and Clinical Psychology*.

Neiderhiser, J.M., Marceau, K., Robertson, O.C., Kelly, E., Shirtcliff, E.A., Tavalire, H., Dorn, L., Shaw, D.S., Natsuaki, M.N., Reiss, D., Ganiban, J.M., Leve, L.D. Early adolescent stress, coping, and positivity during the COVID-19 pandemic: the role of family relations. Submitted for Special Issue in *Journal of Research on Adolescence*.

Guyon-Harris, K., Broadley, O., Gill, A., Shaw, D. S., Hiscock, H., & Bayer, J. K. Prevalence and predictors of persistent externalising problems during early childhood in the Australian population: A longitudinal analysis. To be resubmitted to *Child and Adolescent Mental Health*.

Gross, R. S., Hails, K., Canfield, C. F., Miller, E. B., Whipps, M., Bogen, D. L., Morris, P., Shaw, D. S., & Mendelsohn, A. L. Early cognitive home environment and obesity-promoting feeding styles at 24 months in low-income families: General parenting intervention impacts. To be submitted to *Maternal and Child Nutrition*.

Chen, T., Neiderhiser, J. M., Liu, C., Molenaar, P. C., Ganiban, J., Natsuaki, M., Shaw, D. S., Reiss, D., & Leve, L. D. Heritable, environmental, and timing effects on the intergenerational transmission of anxiety and depressive symptoms in early adolescence. Invited submission for Special Issue to *Journal of Child Psychology and Psychiatry*.

Dolcini-Catatnia, L. G., Feldman, J. S., Lemery-Chalfant, K., Wilson, M. N., Gardner, F., & Shaw, D. S. Testing and expanding the family stress model from toddlerhood to school age for families living in diverse communities facing economic stress. To be submitted to *Development and Psychopathology*.

Neiderhiser, J. M., Paquin, S., Marceau, K., Shirtcliff, B., Dorn, L., Ganiban, J., Shaw, D. S., Natsuaki, M., Reiss, D., & Leve, L. D. Testing pathways of intergenerational transmission of externalizing behaviors during early adolescence. Resubmitted to *Development and Psychopathology* for Special Issue on use of genetically-informed designs.

Robertson, O., Duncan, R., Leve, L. D., Reiss, D., Shaw, D. S., Natsuaki, M., Neiderhiser, J. M., Ganiban, J., & Marceau, K. Prenatal programming of developmental trajectories for obesity risk and early pubertal timing. Resubmitted to *Developmental Psychology*.

Dolcini-Catania, L. G., Lemery-Chalfant, K., Wilson, M. N., & Shaw, D. S. Predicting at-risk families' engagement across eight years in a randomized trial of the early childhood Family Check-Up intervention. Submitted to *Children and Youth Services Review*.

Guyon-Harris, K., Gill, A., Kranz, E., & Shaw, D. S. Supporting pregnant people in recovery: The Family Check-Up–Prenatal to promote positive parenting and early relational health.

Huerta, C., Randell, K. A., Unger, J. B., Feldman, B., Rothenberger, S., Chaves-Gnecco, D., Garica, R., Barral, R., Jenkins, V., Shaw, D. S., Miller, E., & Ragavan, M. I. Acculturation and discrimination in predicting adolescent relationship abuse among Latine youth. Submitted to *Journal of Adolescent Health*.

Liu, C., Neiderhiser, J. M., Ram, N., Leve, L. D., , Shaw, D. S., Natsuaki, M., Reiss, D., & Ganiban, J. M. Modeling body mass index z-score liability during childhood as a function of child temperament and genetic risk for obesity. Submitted to *Obesity*.

Otten, R., Ha, T., Westling, E., Lemery-Chalfant-K., Wilson, M. N., & Shaw, D. S. How pubertal timing and self-regulation predict adolescent sexual activity in resource-poor communities. To be resubmitted to *Development and Psychopathology*.

Feldman, J. S., Zhang, Y., Miller, E. B., Morris-Perez, P. A., Gajewski-Nemes, J. A., Canfield, C., F., Mendelsohn, A. L., & Shaw, D. S. A combined person- and variable-oriented approach to parenting styles in infancy and toddlerhood in low-income Black/African American and Latina mothers. Submitted to *Journal of Family Psychology*.

Connell, A., McClaine, R., Ha, T., Vaccaro, H., Stormshak, E., Westling, E., Brown-Iannuzzi, J., & Shaw, D. S. Family Check-Up effects on the development of positive peer relationships in childhood and adolescence: integrative data analysis of three trials of family-centered prevention program. Submitted to *Social and Personal Relationships*.

CONFERENCE PRESENTATIONS (Past 3 Years)

Mehrkes, A., Natsuaki, M.N., Neiderhiser, J.M., Shaw, D.S., Ganiban, J.M., Reiss, D., Leve, L.D. (2023). *Heterogeneity of internalizing problems in adolescents: Evaluating the trajectories of self-worth and fearfulness* To be presented at the Biennial Meeting of the Society for Research on Adolescence, San Diego, CA.

Aviles, A., Miller, E., Wippick, H., Shaw, D. S., Mendelsohn, A., & Morris-Perez, P. (2023). *Effects of COVID-19 on families with young children: A focus on families of essential workers*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Shaw, D. S. (2023). *Continuing the quest towards understanding co-occurring internalizing and externalizing problems: Methodologies, risks, and clinical implications*. Discussant. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Taraban, L., Feldman, J., Morris-Perez, P., Mendelsohn, A., & Shaw, D. S. (2023). *Mindful parenting as a longitudinal predictor of early childhood social-emotional, behavioral, and cognitive development*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Taraban, L., Shaw, D. S., Morris-Perez, P., & Mendelsohn, A. (2023). *Context-specific maternal sensitivity and early childhood social-emotional, behavioral, and cognitive development*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Seay, D., Neiderhiser, J., Ganiban, J., Shaw, D., Reiss, D., Natsuaki, M., & Leve, L. (2023). *Examining genetic influences on reciprocal associations between parenting and child negative emotionality: An adoption study*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Hunter, L., Shaw, D. S., Guyon-Harris, K., Miller, E., Morris-Perez, P., & Mendelsohn, A. (2023). *Social determinants of early childhood intervention referral and service delivery*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Lee, S., Roberston, O., Marceau, K., Knopik, V., Natsuaki, M., Shaw, D. S., Reiss, D., Leve, L. D., Ganiban, J., & Neiderhiser, J. (2023). *The transactional process involved in the development of child externalizing symptoms*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Natale, B., Feldman, J., Shaw, D. S., Nordahl, K. B., & Janson, H. (2023). *Breastfeeding duration and fathers' supportive caregiving in early childhood: The intermediate role of mothers' caregiving*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Natale, B., Feldman, J., Shaw, D. S., Nordahl, K. B., & Janson, H. (2023). *Do paternal characteristics moderate associations between breastfeeding duration and maternal mental health and supportive parenting?* To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Backer-Grondahl, A., Idsoe, T., Shaw, D. S., & Naerde, A. (2023). *Expanding the family stress model to fathers and their young children in Norway*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Ostner, S., Westling, E., Shaw, D. S., Tein, J. Y., Brown-Iannuzzi, J., Wilson, M. N., & Lemery-Chalfant, K. (2023). *Childhood supportive emotion socialization buffers the relation between parent and offspring cannabis use*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Pickett, J., Ostner, S., Murillo, A., Clifford, S., Tein, J. Y., Shaw, D. S., Wilson, M. N., & Lemery-Chalfant, K. (2023). *Genetic risk for child psychopathology is mitigated by early family prevention*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Canfield, C., Miller, E., Roby, E., Piccolo, L., Morris-Perez, P., Shaw, D. S., & Medelsohn, A. (2023). *Improving child behavior through reductions in harsh discipline: Impacts of a tiered video feedback intervention*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Roby, E., Miller, E., Canfield, C., Shaw, D. S., Morris-Perez, P., & Mendelsohn, A., (2023). *Supporting early social-emotional competencies through reading and play: Findings from the Smart Beginnings RCT*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Feldman, J. S., Wilson, M. N., & Shaw, D. S. (2023). *Longitudinal relations between paternal activation parenting and children's socioemotional adjustment in the preschool years*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Wang, J., Natsuaki, M., Neiderhiser, J. M., Ganiban, J., Shaw, D. S., Reiss, D., & Leve, L. D. (2023). *Parental Infertility Distress and Child Externalizing Problems: Overreactive Parenting as a Mediator*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, Utah.

Suarez, G. L., Shaw, D. Wilson, M, Lemery-Chalfant, K., Westling, E., Brown-Iannuzzi J., & Hyde, L. W. (2023). *Examining inhibitory control and social contexts in late childhood as predictors of adolescent antisocial behavior*. To be presented at the Biennial Meeting of the Society for Research in Child Development, Salt Lake City, Utah.

Dolcini-Catania, L, Feldman, J., Lemery-Chalfant, K., Wilson, M. N., & Shaw, D. S. (2023). *Testing and expanding the Family Stress Model from toddlerhood to school age for families living in diverse communities facing economic strain*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Dolcini-Catania, L. G., Wilson, M. N., & Shaw, D. S. (2023). *Maternal depression and coercive parenting: Protective effects of maternal social support for families experiencing economic strain during early childhood*. To be presented at the Biennial Meeting of the Society for Research on Child Development, Salt Lake City, UT.

Liu, C., Moore, G., Ganiban, J., Chen, Z., Leve, L. D., Shaw, D. S., Reiss, D., Natsuaki, M., & Neiderhiser, J. M., (2023). *Presence of positive affect during challenging situation protects children from problem behaviors*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Gajewski-Nemes, J.A., Morris-Perez, P., Mendelsohn, A., & Shaw, D. (2023). *Early childhood parenting growth in predicting preschool effortful control in a racially diverse sample*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Gajewski-Nemes, J.A., Morris-Perez, P., Mendelsohn, A., & Shaw, D. (2023). *Growth in early childhood parent-child relationship quality in relation to preschool-age internalizing and externalizing problems*. To be presented at the Society for Research in Child Development Biennial Meeting, Salt Lake City, UT.

Shaw, D. S., Connell, A., & Reuben, J. (2022). *Use of the Family Check-Up in preventing depressive symptoms and suicidal risk during middle childhood and adolescence*. Presented at the International Society for the Study of Behavioral Development. Rhodes Island, Greece.

Robertson, O. C., Marceau, K., Shirtcliff, E. A., Dorn, L. D., Natsuaki, M. N., Shaw, D. S., Reiss, D., Leve, L. D., Neiderhiser, J. M., & Ganiban, J. M. (2022). *Associations of relative pubertal timing and pubertal tempo with body mass index in a sample of youth adopted at birth*. Presented at the International Society of Psychoneuroendocrinology, Chicago, IL.

Natsuaki, M. N., Wang, J., Neiderhiser, J. N., Ganiban, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2022). *Similarities and differences between siblings reared apart: Examining how depression clusters within families*. Presented at the International Society for the Study of Behavioral Development. Rhodes Island, Greece.

Tavalire, H. F., Natsuaki, M. N., Ganiban, J. M., Neiderhiser, J. M., Reiss, D., Shaw, D. S., & Leve, L. D. (2022). *Does positive parenting disrupt intergenerational transmission of depression despite genetic risk?* Presented at the International Society for the Study of Behavioral Development. Rhodes Island, Greece.

Yu, L., Regacho, P. A., Marceau, K., Knopik, V., Natsuaki, M. N., Shaw, D. S., Reiss, D., Leve, L. D., Ganiban, J. M., & Neiderhiser, J. M. (2022). *Heritable and environment influences on adolescent anxiety and well-being over the course of the COVID-10 pandemic: An adoption study*. Presented at the Behavior Genetics Association, Los Angeles, CA.

Robertson, O. C., Marceau, K., Shirtcliff, E. A., Dorn, L. D., Natsuaki, M. N., Shaw, D. S., Reiss, D., Leve, L. D., Neiderhiser, J. M., & Ganiban, J. M. (2022). *Predictors and correlates of pubertal tempo in a sample of youth adopted at birth*. Presented at the Behavior Genetics Association, Los Angeles, CA.

Lee, S., Robertson, O. C., Marceau, K., Knopik, V.S., Natsuaki, M. N., Shaw, D. S., Reiss, D., Leve, L. D., Ganiban, J. M., & Neiderhiser, J. M. (2022). *Early risk for child externalizing symptoms: Examining genetic, prenatal, and parental influences*. Presented at the Behavior Genetics Association, Los Angeles, CA.

Zhou, A. M., Marceau, K., Ramos, A. M., Leve, L. D., Ganiban, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2022). *Associations between parental internalizing symptoms, child HPA and child internalizing symptom trajectories: Heritable, prenatal and post-natal influences*. A symposium presented at the Society for Research on Adolescence, New Orleans, LA.

Weaver Krug, C. M., Shaw, D. S., Mendelsohn, A. L., Diaz, L. D. (2022). *The Pittsburgh Study: A tiered approach to promote child thriving by providing parenting intervention programs to families with young children*. Presented at the Pediatric Academic Societies Meeting, Denver, CO.

Canfield, C. F., Miller, E. B., Taraban, L. E., Rosas, J. M., Morris, P., Mendelsohn, A. L., & Shaw, D. (2022). *Impacts of a tiered intervention on child internalizing problems in the context of maternal depression*. To be presented at the Pediatric Academic Societies Annual Meeting, Denver CO.

Rowley, S. N., Weaver Krug, C. M., Dolcini-Catania, L.G., Roby, E., Gill, A.M., Mendelsohn, A.L., Shaw, D.S. (2022). *Predictors of engagement in remote delivery of the Family Check-Up for children 0-2 from The Pittsburgh Study: A community-partnered implementation trial*. To be presented at the Pediatric Academic Societies Annual Meeting, Denver, CO.

Roby, E., Krug, C. M., Sonia, R. N., Dolcini-Catania L. G., Mendelsohn, A. L., & Shaw, D. S. (2022). *Parental mental health and reading to infants during the COVID-19 Pandemic: population-level data from The Pittsburgh Study*. To be presented at the Pediatric Academic Societies Annual Meeting, Denver CO.

Miller, E. B., Roby, E., Zhang, Y., Coskun, L. Z., Rosas, J. M., Scott, M., Gutierrez, J., Shaw, D. S., Mendelsohn, A. L., & Morris, P. A. (2022). *Promoting cognitive stimulation in low-income parents across infancy and toddlerhood: A randomized clinical trial*. To be presented at the Pediatric Academic Societies Annual Meeting, Denver, CO.

Yu, C., Paquin, S., Ganiban, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., Leve, L. D., & Neiderhiser, J. M. (2022). *The effects of the early childhood callous-emotional behaviors on early adolescent conduct problems and the role of harsh parenting*. To be presented at the Society for Research on Adolescence Biennial meeting. New Orleans, LA.

Feldman, J. S., Natale, B., Shaw, D. S., Nordahl, K., Janson, H., & Naerde, A. (2021). *Duration of breastfeeding associates with supportive paternal caregiving in early childhood via maternal caregiving*. Presented at the Mini-Conference on Father-Child Attachment for the Society for Emotion and Attachment Studies.

Chen, T., Liu, C., Leve, L. D., Ganiban, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Neiderhiser, J. M. (2021). *Heritable, environmental, and timing effects on the intergenerational transmission of anxiety and depressive symptoms in early adolescence*. Presented at the annual meeting of the Society for Prevention Research.

Galán, C., Shaw, D. S., & Ridenour, T. (2021). *Well-child screening and referral to prevent adolescent substance use and conduct problems: 12-month outcomes*. Presented at the annual meeting of the Society for Prevention Research.

Tein, J.-Y., Oro, V., Wang, F., Kim, H., Shaw, D., Wilson, M. N., & Lemery-Chalfant (2021). *The effects of early childhood Family Check-Up on adolescent substance use by reducing the P-Factor of behavior problems across childhood*. Presented at the Society for Prevention Research Virtual 29th Annual Meeting.

Ridenour, T., Galán, C., & Shaw, D. S. (2021). *Well-child screening and referral to prevent adolescent substance use and conduct problems: Twelve-month outcomes*. Presented at the virtual meeting of the Society of Behavioral Medicine.

Stepanyan, S., Natsuaki, M., Ganiban, J., Neiderhiser, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2021). *Does weight matter? The role of actual and perceived body weight in the trajectories of internalizing symptoms in childhood*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Ramos, A., Shewark, E., Reiss, D., Leve, L. D., Natsuaki, M., Shaw, D. S., Ganiban, J., & Neiderhiser, J. M. (2021). *The role of parental distress on children's early social competence: Disentangling heritable and environmental influences*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Zhou, A., Marceau, K., Ramos, A., Leve, L. D., Ganiban, J., Shaw, D. S., Reiss, D., Natsuaki, M., & Neiderhiser, J. M. (2021). *Heritable, prenatal and postnatal influences on child cortisol and internalizing symptom development*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Womack, S., Wilson, M. N., Tong, X., Lemery-Chalfant, K., & Shaw, D. S. (2021). *Trajectories of early childhood environmental instability and the development of disruptive behaviors into adolescence*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Savell, S., Womack, S., Wilson, M. N., Lemery-Chalfant, K., & Shaw, D. S. (2021). *Indirect associations between middle-childhood externalizing behaviors and adolescent substance use through late-childhood exposure to violence*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Savell, S., Wilson, M. N., Lemery-Chalfant, K., & Shaw, D. S. (2021). *Examining reciprocal associations between caregiver romantic satisfaction, caregiver depressive symptoms and late-childhood externalizing behavior*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Robertson, O., Marceau, K., Natsuaki, M., Shaw, D. S., Reiss, D., Leve, L. D., Neiderhiser, J. M., & Ganiban, J. (2021). *Association of child body mass index and the obesogenic environment in an adoption study*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Anaya, B., Perez-Edgar, K., Leve, L. D., Ganiban, J., Shaw, D. S., Reiss, D., Natsuaki, M., & Neiderhiser, J. M. (2021). *Trajectories of behavioral inhibition as a function of genetic and environmental risk for psychopathology*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Perez, E., Natsuaki, M., Leve, L. D., Ganiban, J., Shaw, D. S., Reiss, D., & Neiderhiser, J. M. (2021). *Fetal alcohol disorder symptoms and maternal self-reports of prenatal alcohol exposure: Do they converge?* Presented at the virtual biennial meeting of the Society for Research in Child Development.

Natale, B., Shaw, D. S., Hanson, H., The Norwegian Center for Child Behavioral Development, & Naerde, A. (2021). *Duration of breastfeeding mediates the association between early socioeconomic risk and child vocabulary at age 4*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Feldman, J., Shaw, D. S., Nordahl, K. B., Backer-Grondahl, A., Naerde, & the Norwegian Center for Child Behavioral Development (2021). *Positive paternal involvement in early childhood buffers the effects of low positive maternal involvement on school-age adjustment*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Dolcini- Catania, L., Lemery-Chalfant, K., Wilson, M. N., & Shaw, D. S. (2021). *Social support and maternal depression in predicting engagement in the Family Check-Up intervention between child ages 2-10.5*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Wei, W., Ramos, A., Witherspoon, D., Maereg, T., Seay, D., Shaw, D. S., Reiss, D., Natsuaki, M., Ganiban, J., Leve, L. D., & Neiderhiser, J. M. (2021). *Impact of timing of residential moves and fluctuations of neighborhood disadvantage on youth adjustment*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Liu, C., Chow, S. M., Moore, G., Perez-Edgar, K., Leve, L. D., Shaw, D. S., Ganiban, J., Reiss, D., Natsuaki, M., & Neiderhiser, J. M. (2021). *Co-development of externalizing and internalizing behaviors across childhood at the within-person level: Heritable and rearing environmental influences*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Ruoff, A., Valiente, C., Elam, K., Shaw, D. S., Wilson, M. N., & Lemery-Chalfant, K. (2021). *Longitudinal associations between inhibitory control and parenting stress in early childhood: Relations with verbal ability*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Canfield, C., Miller, E., Shaw, D. S., Morris, P., Roby, E., and Mendelsohn, A. (2021). *Increasing reach of preventive programs through a tiered approach tailored to heterogeneity in risk*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Ramos, A., Shewark, E., Reiss, D., Leve, L. D., Natsuaki, M., Shaw, D. S., Ganiban, J., & Neiderhiser, J. M. (2021). *Family interactions in toddlerhood influence social competence in preschool: Accounting for heritable and prenatal influences*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Cao, M., Ganiban, J., Liu, C., Shaw, D. S., Reiss, D., Natsuaki, M., Leve, L. D., & Neiderhiser, J. M. (2021). *Genetic and environmental influences on self-worth in young children*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Feldman, J., Shaw, D. S., Nordahl, K. B., Backer-Grondahl, A., Naerde, & the Norwegian Center for Child Behavioral Development (2021). *Longitudinal relations between paternal early positive involvement and preschool-age children's self-regulation*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Carter, A., Pintello, D., Shaw, D. S., Wakschlag, L., & Dickerson, A. (2021). *Next steps in promoting early childhood mental health: In honor of Victoria S. Levin*. Presented at the virtual biennial meeting of the Society for Research in Child Development.

Marghese, A. M., Stepanyan, S. T., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Ganiban, J. M., Reiss, D., & Leve, L. D. (2021) *How adoptive parents' views on genetic inheritance impact the association between child shyness and parental competence*. Presented at the Biennial Conference of the Society for Research on Adolescence (virtual).

Natale, B., Manuck, S., Muldoon, M., Shaw, D. S., Matthews, K., & Marsland, A. (2020). *Systemic inflammation contributes to the association between childhood socioeconomic disadvantage and midlife cardiometabolic risk*. Presented at the International Society for Developmental Psychobiology (virtual conference). Guyer, S. F., Rayhel, A.L.,

Whitesel, A. L., Ganiban, J. M., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Leve, L. D. (2020). *Exploring openness over time in domestic adoption placements within the United States*. To have been presented at the International Conference on Adoption Research, Milan, Italy. (Conference cancelled).

Varghese, A., Perez, E., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Ganiban, J. M., Reiss, D., & Leve, L. D. (2020). *The more you know: Investigating the impact of spirituality and knowledge about adoptive parents on birth parents' perinatal grief*. To have been presented at the International Conference on Adoption Research, Milan, Italy. (Conference cancelled).

Whitesel, A., Leve, L. D., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Ganiban, J. M. (2020). *Exploring birth family contact, information seeking and communicative openness with adoptive parents*. To be presented at the International Conference on Adoption Research, Milan, Italy. (Conference cancelled).

Wyche, C., Seay, D., Whitesel, A., Ganiban, J. M., Leve, L. D., Reiss, D., Shaw, D. S., Natsuaki, M. N., & Neiderhiser, J. M. (2020). *Adoption communicative openness in the Early Growth and Development Study (EGDS): An examination of parent and adolescent report*. To have been presented at the International Conference on Adoption Research, Milan, Italy. (Conference cancelled).

Natsuaki, M. N., Wang, J. N., Ganiban, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2020). *Similarities and differences between siblings reared apart: Examining how depression clusters within families*. To be presented at the International Society for the Study of Behavioral Development. Rhodes, Greece (Conference cancelled).

Tavalire, H. F., Natsuaki, M. N., Ganiban, J. M., Neiderhiser, J. M., Reiss, D., Shaw, D. S., & Leve, L. D. (2020). *Does positive parenting disrupt intergenerational transmission of depression despite genetic risk?* To be presented at the International Society for the Study of Behavioral Development. Rhodes, Greece. (Conference Cancelled).

Hentges, R., Weaver Krug, C., Shaw, D. S., Wilson, M. N., Dishion, T. J., & Lemery Chalfant, K. (2020). *The long-term indirect effect of the Family Check-Up on adolescent mental health via inhibitory control*. To have been presented at the biennial meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled).

Chen, T., Liu, C., Leve, L. D., Ganiban, J., Natsuaki, M., Reiss, D., Shaw, D. S., & Neiderhiser, J. M. (2020). *Does pubertal timing interact with heritable and early environmental risks on internalizing problems?* To have been presented at the biennial meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled).

Varghese, A., Stepanyan, S., Natsuaki, M., Neiderhiser, J. M., Shaw, D. S., Ganiban, J., Reiss, D., & Leve, L. D. (2020). *How adoptive parents' views on genetic inheritance impact the association between child shyness and parental competence*. To have been presented at the biennial meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled).

Stepanyan, S., Natsuaki, M., Neiderhiser, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2020). *Youths' behavioral problems and interparental disagreements about parenting: The mediating role of negative parenting*. To have been presented at the biennial meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled).

Mauer, V., Savell, S., Davis, A., Wilson, M. N., Shaw, D. S., & Lemery-Chalfant, K. (2020). *Identification of multiracial adolescents in research samples: An examination and critique of existing practices*. To have been presented at the biennial meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled).

Robertson, O., Marceau, K., Natsuaki, M., Shaw, D. S., Reiss, D., Leve, L. D., Neiderhiser, J. M., & Ganiban, J. (2020). *Prenatal pathways to childhood BMI and early puberty: Testing the thrifty phenotype and over-nutrition mechanisms*. To have been presented at the biennial meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled).

Gard, A. M., Maxwell, A. M., Shaw, D. S., Mitchell, C., Brooks-Gunn, J., McLanahan, S. S., Forbes, E. E., Monk, C. S., & Hyde, L. W. (2020). *Beyond family-level adversities: Exploring the developmental timing of neighborhood effects on the brain*. Presented at the Population Association of America Annual Meeting, Washington, DC.

Dotterer, H. L., Hyde, L. W., Shaw, D. S., Forbes, E. E., & Beltz, A. M. (2020). *Psychopathic traits are related to distinct patterns of neural connectivity at rest using a personalized directed connectivity approach in a diverse, low-income community sample*. Presented at the annual meeting of the International Neuropsychological Society, Denver, CO.

SELECT INVITED ADDRESSES

The Family Check-Up in Early Childhood and Its Application to The Pittsburgh Study. Community Parent Group, Allegheny County Department of Health, February, 27, 2023.

The Utility of Adopting an Evidence-Based Program in Your Community: Pros and Challenges. Community Anti-Drug Coalitions of America (CADCA) for Session on the Role of Evidence Based Registries in Implementation of Substance Use Prevention. Annual National Leadership Forum, National Harbor, MD, January 31, 2023.

The Pittsburgh Study and Hello Baby: Two Novel and Complementary Approaches to Prevent Child Maltreatment in Early Childhood. Commission of Inquiry into Reduction of Child Maltreatment, Government of Scotland, United Kingdom, January 30, 2023.

Enhancing Parents of Young Children's Accessibility to Parenting Support: The Early Childhood Collaborative of The Pittsburgh Study. Howard Mermelstein Memorial Grand Rounds. Children's Hospital of Pittsburgh, October 20, 2022

The Development and Current Applications of the Family Check-Up in Early Childhood. Lecture presented at Preventive Youth Care Laboratory, Research Institute of Child Development and Education, University of Amsterdam, Netherlands, May 18, 2022

Use of the Family Check-Up in Pediatric Primary Care to Prevent Adolescent Substance Use. Workshop on Family-Focused Interventions to Prevent Substance Use Disorders in Adolescence, National Academy of Sciences, Engineering and Medicine, Washington DC, May 5, 2022

The Use of a Tiered Model to Promote Early Child Thriving. Colloquium to Department of Psychology, Georgetown University, December 2, 2021.

The Development and Use of the Family Check-Up Program in the Pittsburgh Community and Elsewhere to Prevent the Development of Children's Antisocial Behavior and Promote Their Positive Social Development. Allegheny County Bar Association Family Law Section, November 16, 2021.

Using a Tiered Model to Promote Early Relational Health (with Alan Mendelsohn), Presented at the Quarterly Meeting of the National Early Relational Health Advisory Panel October 18, 2021.

Translating Basic Developmental Research to a Tiered, Population-Level Prevention Program for Young Children Living in Poverty. Distinguished Speaker Series for Research Center for Child Well-Being, University of South Carolina, Columbia, SC, September 10, 2021.

Use of the Family Check-Up (and other interventions) to promote resilience in early childhood. Workshop sponsored by Developmental Science Field Committee. Ordinary Magic: The Science of Resilience and Child Development. University of Maryland, April 30, 2021.

The Early Childhood Collaborative of The Pittsburgh Study: An Overview and Progress. Lunch and Learn Series. Clinical and Translational Science Institute, University of Pittsburgh, December 10, 2020.

The Early Childhood Version of the Family Check-Up. Webinar to Pennsylvania Coalition of Medical Care Organization, November 12, 2020.

Promoting retention in developmental and intervention studies with families facing socioeconomic and family risk. Whole Communities Whole Health Initiative, University of Texas at Austin, May 8, 2021.

Did their brains make them do it? A discussion about a neurobiological basis for violence (panelist). Pitt Brain Day on Neurobiology of Violence, University of Pittsburgh Brain Institute, March 20, 2020 (postponed because of COVID-19).

Smart Beginnings: Integration of Video Interaction Project and Family Check-Up. With Dr. Anne Gill, Regional Leadership Meeting for Early Intervention, Office of Child Development and Early Learning, State of Pennsylvania, Tarentum, PA, January 31, 2020.

The Pittsburgh Study's Early Childhood Collaborative: Making Preventive Interventions for Parents with Young Children Accessible to All Parents in Allegheny County. Women, Infants, and Children Nutritional Supplement Program, Allegheny County Department of Health, December 4, 2019.

The Early Steps Multisite Study: Past Achievements and Moving Forward into the Transition to Adulthood. National Institute on Drug Abuse, Division of Epidemiology, Services and Prevention Research, Prevention Branch, December 3, 2019.

The SafeKeeping Youth Study. Pediatric Pittnet Lunch and Learn, Clinical and Translational Science Institute, School of Medicine, University of Pittsburgh, November 7, 2019.

Incorporating the Family Check-Up into Primary Care and a Tiered Prevention Program during Early Childhood. Department of Population Health, New York University Langone Health. October 25, 2019.

The SafeKeeping Youth Study: Incorporating Behavioral Health in Adolescent Pediatrics. Collaborative on Healthy Parenting in Primary Care, Forum on Children's Behavioral and Affective Health, National Academies of Science, Engineering, and Medicine, September 24, 2019.

The Smart Beginnings Study: A Tiered Model to Promote School Readiness at Birth in Pediatrics. Collaborative on Healthy Parenting in Primary Care, Forum on Children's Behavioral and Affective Health, National Academies of Science, Engineering, and Medicine, September 24, 2019.

Use of the Family Check-Up in Novel Platforms during Early Childhood. Presented to the Steering Committee of the Get Ready Guilford Initiative, funded by the Duke Endowment and Blue Meridian Group, September 17, 2019.

Incorporating the Use of the Family Check-Up in Pediatrics: A Tale of Two Age Groups. International Family Check-Up Retreat, University of Pittsburgh and Center for Parents and Children, August 12, 2019.

The Pittsburgh Study: Implementing Evidence-Based Interventions for Parents of Young Children at the Population Level. Executive Board of Allegheny Federal Qualified Health Centers, July 16, 2019.

Early Childhood: A Critical Period for Promoting Well-Being and Preventing Problem Behavior. Presented at Understanding Infant and Early Childhood Mental Health, Allegheny. SAMSHA, Department of Human Services and Matilda Theiss Center, Pittsburgh, PA, May 9, 2019.

Early Childhood Predictors and Prevention of Adolescent and Young Adult Male Violent and Aggressive Behavior. Presented at the conference on the Early Origins of Male Violence: A Bio-Psycho-Social and Infant Mental Health Approach to a Major Social Issue. Santa Fe, NM, May 2, 2019.

The Pittsburgh Study and Hello Baby: Improving Family Strengths in Allegheny County. Presented to the Young Child Wellness Council of Linking Actions for Unmet Needs in Children's Welfare (LAUNCH), Pittsburgh, PA, March 29, 2019.

The Development and Prevention of Early Conduct Problems. Presented at the Norwegian Center for Child Behavioral Development, Oslo, Norway, October 24, 2018.

Integrating Evidence-Based Parenting Programs into Public Health Systems: Opportunities and Challenges. Keynote address for Strengthening Society through Stronger Parenting: Integrating Evidence-Based Parenting Programs into Public Health Systems, University of Maryland School of Social Work, September 28, 2018.

Use of the Family Check-Up in Novel Public Health Systems. Strengthening Society through Stronger Parenting: Integrating Evidence-Based Parenting Programs into Public Health Systems, University of Maryland School of Social Work, September 28, 2018.

Developing and Testing a Tiered Model for Promoting Parenting and Early School Readiness in Pediatrics: The Smart Beginnings Project. Strengthening Society through Stronger Parenting: Integrating Evidence-Based Parenting Programs into Public Health Systems, University of Maryland School of Social Work, September 28, 2018.

The Prevention of Conduct Problems in Early Children: Validation of the Family Check-Up and Use in Novel Community Settings. Howard Mermelstein Memorial Grand Rounds. Children's Hospital of Pittsburgh, June 7, 2018.

Implementing the Family Check-Up in Pediatrics. Collaborative on Healthy Parenting in Primary Care, Forum on Children's Behavioral and Affective Health, National Academies of Science, Engineering, and Medicine, May 10, 2018.

The Development and Prevention of Early Conduct Problems. Annual Child Maltreatment Conference, Children's Hospital of Pittsburgh, April, 27, 2018.

Validation of the Family Check-Up in Early Childhood and Use in Novel Community Platforms Serving Low-Income Children. Child Study Center Speaker Series, Department of Psychology, Penn State University, April 3, 2018.

Presenter and Panelist, *Summit Exploring Critical Connections between Early Childhood Development and Nutrition*, Center for Family and Child Policy and World Food Policy Center, Duke University, March 29, 2018.

Commentary on Teaching Resilience by Dr. G and Introduction to the Center for Parents and Children. To be presented at the Cross-Disciplinary Conference on Family and Healthy U, March 28, 2018.

The Development of a Family-Based Intervention to Prevent Early Conduct Problems: The Family Check-Up. Conference on Family-Based Interventions, Child Psychiatry Department at the Jewish General Hospital and School of Social Work at McGill University, Montreal, Canada, March 21, 2018.

The Use of the Family Check-Up in Early Childhood. Conference on Family-Based Interventions, Child Psychiatry Department at the Jewish General Hospital and School of Social Work at McGill University, Montreal, Canada, March 21, 2018.

Early Predictors of Antisocial Behavior. Jefferson Regional Foundation, Pittsburgh, PA, December 14, 2017.

Incorporating the Family Check-Up in Head Start and Early Head Start Settings. Presented to staff of six Early Head Start Centers in Allegheny County, December 5, 2017.

The Family Check-Up during Early Childhood. WIC providers for Armstrong, Beaver, Butler, Indiana, and Lawrence Counties of Pennsylvania, Adagio Health, Beaver Falls, PA, November 30, 2017.

Use of the Family Check-Up at WIC. State of Pennsylvania's WIC Grantee Meeting, Harrisburg, PA, November 15, 2017.

The Developmental Precursors of Violent Antisocial Behavior during Adolescence and Outcomes in Early Adulthood. Pre-Conference on Predicting Violence from Early Childhood, Chicago, IL, November 9, 2017.

The Use of the Family Check-Up in Early Childhood and Relevance to Child Welfare. Child Advocacy Group of Children's Hospital of Pittsburgh, October 19, 2017.

The Development of Conduct Problems from Early Childhood to Young Adulthood: The Prequel to the Early Childhood Version of the Family Check-Up. The Family Check-Up International Conference 2017: Building Bridges Across Contexts, Cultures, and Intervention Models, Gotenberg, Sweden, June 12, 2017.

Use of the Family Check-Up in Pediatrics: The Smart Beginnings and SafeKeeping Youth Studies. The Family Check-Up International Conference 2017: Building Bridges Across Contexts, Cultures, and Intervention Models, Gotenberg, Sweden, June 11, 2017.

Future Directions in the Development of Early Conduct Problems. Journal of Clinical Child and Adolescent Psychology Future Directions Forum, University of Maryland, College Park, MD, June 1, 2017.

Successful Strategies for Conducting Translational Research on Family-Focused Prevention in Pediatric Care. Pre-conference workshop on Prevention in Pediatric Care: Strategies for Expanding the Reach of Family-focused Prevention Programs to Achieve Broad Public Health Impact. Annual Meeting for the Society for Prevention Research, Washington DC, May 30, 2017.

Interactions between Child Temperament and Parenting in Relation to Early-Starting Conduct Problems. Keynote Address for Quebec Child Mental Health Research Day in Memory of Klaus Minde, Division of Child Psychiatry, McGill University, Montreal, Canada, May 5, 2017.

The Development and Prevention of Children's Early Conduct Problems. Inaugural address for Distinguished Professorship, University of Pittsburgh, January 5, 2017.

The Development and Prevention of Boys' Antisocial Behavior from Toddlerhood to Adolescence and Early Adulthood. Preconference Workshop of the Zero to Three annual conference entitled, Considering the Unique Development of Infant Boys, New Orleans, LA, December 7, 2016.

The Development and Prevention of Early Conduct Problems. Keynote address, Annual Conference of the Australian Clinical Psychology Association, Melbourne, Australia, November 11, 2016.

The Development and Prevention of Early Conduct Problems: Translating from Basic Research to Prevention. Faculty Public Lecture, Macquarie University, Sydney, Australia, November 9, 2016.

The Family Check-Up: Overview. The Centre for Emotional Health, Psychology Department, and Faculty of Human Sciences, Macquarie University, Sydney, Australia, November 9, 2016.

The Development and Prevention of Antisocial Behavior during Early Childhood. Public Lecture for Ralph and Eve Seelye Charitable Trust Fellowship. University of Auckland, Auckland, New Zealand, November 7, 2016.

The Development and Prevention of Antisocial Behavior during Early Childhood. Werry Centre, Department of Psychological Medicine, University of Auckland, Auckland, New Zealand, November 7, 2016.

Intervening Early to Prevent Adolescent Substance Use: Use of the Family Check-Up in Early Childhood. Centre for Addiction Research, University of Auckland, Auckland, New Zealand, October 26, 2016.

Preventing the Development of Problem Behavior in Early Childhood and Early Adolescence in Pediatric Settings. Department of Paediatrics, School of Medicine, University of Auckland, October 26, 2016.

The Development and Prevention of Antisocial Behavior in Early Childhood. Sanford School of Public Policy, Duke University, October 19, 2016.

The Development and Prevention of Early Conduct Problems. Sheldon Lachman Memorial Lecture, Department of Psychology, Wayne State University, April 18, 2016.

The Development and Prevention of Early Conduct Problems: Translating Basic Research to Prevention. Robert B. Cairns Carolina Consortium on Human Development Capstone Lecture, November 23, 2015.

Early Childhood Predictors of Boys' Antisocial Behavior and Adjustment in Adolescence and Early Adulthood. Presented at the Conference on the Psychology of Boys at Risk: Indicators from 0-5, Sante Fe, New Mexico, November 5-6, 2015.

The Prevention of Children's Early Conduct Problems. Promised Beginnings Project, City of Pittsburgh, November 4, 2015.

The Family Check-Up: Its Development and Application in Early Childhood Platforms. Presented at the Board Meeting of Linking Actions for Unmet Needs in Children's Welfare (LAUNCH), Allegheny County, PA, November 2, 2015

The Development and Prevention of Conduct Problems in Early Childhood. Keynote address presented at the 7th Annual Pennsylvania Infant Mental Health Conference, Monroeville, PA, October 15, 2015.

Development and Use of the Family Check-Up in Early Childhood. Presented at the 7th Annual Pennsylvania Infant Mental Health Conference, Monroeville, PA, October 15, 2015.

Panelist, The Science and Art of Negotiation, Early Career Peer Network, Meeting of the Society for Prevention Science, Washington DC, May 27-29, 2015.

Advisor to Steering Committee, Robin Hood Early Childhood Research Initiative and Manpower Demonstration Research Corporation (MDRC), New York City, April 28, 2015.

Use of the Family Check-Up in Early Childhood Across Settings. Colloquium presented at the Center for Children, Relationships, and Culture, University of Maryland, March 11, 2015.

The Development of the Family Check-Up in Early Childhood. Presented at the Center for Children and Families, Florida International University, Miami, FL, January 23, 2015.

Workshop in Use of the Family Check-Up. Trainer with Tom Dishion, Beth Stormshak, Kevin Moore, and Nancy Weisel. Presented at the University of Oregon, Prevention Research Institute, August 11-15, 2014.

Use of the Family Check-Up in Early Childhood. Presenter and Panelist at The Science of Parenting Interventions from Birth to School Entry: An Informal Discussion Between Researchers and Policymakers, Institute of Human Development and Social Change, New York University, and US Department of Health and Human Services, Washington DC, June 11, 2014.

Developmental Antecedents of Child Conduct Problems from Early Childhood to Early Adulthood. Presented at the Department of Psychology, Sussex University, Sussex, UK, April 2, 2014.

Understanding the Development and Persistence of Child Conduct Problems from Early Childhood to Early Adulthood. Colloquium presented at the Department of Psychology, University of Michigan, Ann Arbor, MI, October 29, 2013.

Use of the Family Check-Up in Promoting Healthy Outcomes in Early Childhood and Early Adolescence. Colloquium at Center for Human Growth and Development, University of Michigan, Ann Arbor, MI, October 28, 2013.

Protective factors in the development of early conduct problems. Chautauqua on Resilience, Center for Family Resilience, Oklahoma State University at Tulsa, Tulsa, OK, September 27, 2013.

Advancing transdisciplinary translation for prevention of high-risk behaviors. Discussant on panel for NIH R13 conference: Advancing Transdisciplinary Translation for Prevention of High-Risk Behaviors, National Institute of Nursing Research, Washington DC, April 28-29, 2013.

Intervening with challenging families in challenging contexts. Keynote speaker for Association for Child and Adolescent Mental Health's 2013 Emanuel Miller National Conference, London, UK, March 15, 2013.

The Family Check-Up: A preventive intervention for engaging at-risk families in early childhood. Presented at the Annual Meeting of the Society for Research on Educational Effectiveness, Washington DC, March 8, 2013.

The Development and Prevention of Early Child Conduct Problems: From Basic Research to a Preventive Intervention. Department Colloquium, Human Development and Family Sciences, University of Texas, Austin, TX, March 1, 2013.

The Family Check-Up: An evidence based method for preventing problem behavior in early childhood. Office of Child Development, University of Pittsburgh, January 31, 2013.

Lessons Learned in Translating Pilot Studies to NIH Grants. Presented to the Center for Personalized Prevention Research in Children's Mental Health, Department of Child and Adolescent Psychiatry, University of Minnesota, Minneapolis, MN, November 26, 2012.

The Family Check-Up for Infants and Toddlers. Workshop presented to the Center for Advanced Studies in Child Welfare, University of Minnesota, Minneapolis, MN, November 26-27, 2012.

Translating Basic Research on Early Conduct Problems to Prevention. Grand Rounds, Department of Psychiatry, University of Wisconsin, Madison, Wisconsin, April 20, 2012.

Translating Basic Research to the Prevention of Early Conduct Problems. Infant, Early Childhood and Family Mental Health Certificate Program, University of Wisconsin, Madison, Wisconsin, April 19, 2012.

The Developmental Antecedents of Child Conduct Problems and the Validation of an Intervention to Prevent Their Occurrence. Department of Continuing Studies, University of Wisconsin, Madison, Wisconsin, April 18, 2012.

The Development and Prevention of Early Conduct Problems. Speaker for Annual McNeil Prevention and Community Psychology Colloquium series, Department of Psychology, University of Vermont, Burlington, Vermont, March 23, 2012.

The Development and Prevention of Toddler Problem Behavior. Grand Rounds, Division of Child and Adolescent Psychiatry, Weill Cornell Medical College, New York, NY, February 29, 2012.

Workshop on the Family Check-Up for Toddlers. Royal Children's Hospital, Melbourne, Australia, February 15-21, 2012.

The Early Childhood Antecedents of Youth Antisocial Behavior. Keynote Speaker for Maternal and Child Health Conference, Melbourne, Australia, February 14, 2012.

The Family Check-Up in Early Childhood, with T. Dishion, Community Action Project of Tulsa County, Tulsa, Oklahoma, October 19, 2011.

Implementing the Family Check-Up in Early Childhood, with T. Dishion, Oklahoma State Department of Health, Tulsa, Oklahoma, October 20, 2011.

Integrating Neuroscience into the Study of the Development and Prevention of Antisocial Behavior and Substance Use. Division of Clinical Neuroscience and Behavioral Research, National Institute on Drug Abuse, Bethesda, Maryland, May 25, 2011.

Workshop on the Early Childhood Version of the Family Check-Up, with T. Dishion, Department of Child and Adolescent Psychiatry, Gothenberg University, Gothenberg, Sweden, April 26-29, 2011.

Challenges and Opportunities for Psychology Departments, Symposium on Future of Psychology, Council of Graduate Departments of Psychology, Charleston, South Carolina, February 25, 2011.

Platforms for Using the Family Check-Up during Early Childhood: The Family Check-Up, Institute of Human Development and Social Change, New York University, New York, NY, January 21, 2011.

The Family Check-Up in Early Childhood: Theory and Practice. Malcolm Wiener Center for Social Policy, John F. Kennedy School of Government, Harvard University, Boston, MA, October 13, 2010.

The Family Check-Up in the Context of WIC. Improving Low-Income Children's School Readiness: New Perspectives on an Enduring Challenge, Institute of Human Development and Social Change, New York University and the Center for Advancing Research and Solutions for Society, New York, NY, September 29-30, 2010.

Unraveling the Relationship between Maternal Depression and Child Socialization. Dynamics of Influence in the Development of Psychopathology, Chautauqua sponsored by the Child and Family Center, University of Oregon, Yachats, Oregon, August 9-10, 2010.

The Development and Validation of an Intervention to Prevent Early Conduct Problems: The Family Check-Up. International Conference on Early Childhood Mental Health, University of Auckland, Auckland, New Zealand, February 19, 2010.

Preventing and Intervening with Toddler Problem Behavior: The Development of the Family Check Up. Department of Psychology, Oberlin College, Oberlin, Ohio, November 5, 2009.

Workshop on the Middle Childhood Version of the Family Check-Up, T. Dishion, A. Gill, & E. Stormshack, Department of Child and Adolescent Psychiatry, Gotenberg University, Gotenberg, Sweden, October 12-15, 2009.

Sibling and Peer Deviant Behavior, Relationship Quality, and Risk of Antisocial Behavior in Adolescence. XIV European Conference on Developmental Psychology, Vilnius, Lithuania, August 20, 2009.

The Family Check-Up for Behavioral Health: An Introduction. Department of Psychology, Wayne State University, Detroit, Michigan, June 12, 2009.

Translating Developmental Research to the prevention of Early Conduct Problems. Keynote Address for opening of the Center for Family Risk and Resilience, Oklahoma State University, Tulsa, OK, May 14-15, 2009.

The Family Check-Up for Preventing Aggression and Early Conduct Problems. Keynote Address for Scientific Meeting of Executive Board Meeting, Zero to Three, Washington DC, May 1, 2009.

Lessons Learned in Translation Research. Advancing Translation of Prevention Science into Practice: The Next Generation. Mapping Advances in Prevention Science Task Force, Society for Prevention Research, Aurora, CO, October 14-15, 2008.

Early childhood and the development of delinquency: What we have learned from recent longitudinal research. National Institute of Justice Conference, Crystal City, VA, July 22, 2008.

Child Care Research, Poverty, and Social Policy: Closing Thoughts. Science and Ecology of Early Development Grantee Meeting: Child Care Research Meets Policy, National Institute of Health, Bethesda, MD, April 25, 2008.

The Early Steps Projects: Putting Translational Research into Practice. Atferdssenteret Research Group, Oslo, Norway, November 6, 2007.

Translational issues in the development and prevention of children's early conduct problems: Challenges in transitioning from basic to intervention research. 35th Minnesota Symposium on Child Psychology, Institute of Child Development, University of Minnesota, Minneapolis, Minnesota, October 11-13, 2007.

Translating Basic Knowledge on Early Problem Behavior to Intervention Settings. Intervening Early: Progress and Opportunities in Child Service Settings, Delivery of Services and Settings. Meeting Sponsored by NIDA, ACF, SAMHSA, NICHD, NIMH, and OBSSR, Bethesda, MD, September 18-19, 2007.

Preventing and Intervening with Toddler Problem Behavior: The Development of the Family Check-Up. Children's Intra-agency Training Conference, Child and Adolescent Service System Program, Pennsylvania Department of Public Welfare and Department of Psychology, Penn State University, State College, PA, April 2007.

What We Have Learned about Early Childhood and the Development of Delinquency. What Have We Learned from Recent Longitudinal Studies of Crime and Delinquency? Implications for Policy and Practice, National Institute of Justice, Washington DC, January, 2007.

Understanding and Prevention Child Problem Behavior and Promoting Child Competence. National Institute on Drug Abuse, Bethesda, MD, with Thomas Dishion, December, 2006.

Prevention of Early Conduct Problems and Pathways to Substance Abuse. Economic Research Service, U.S. Department of Agriculture, Washington DC, with Thomas Dishion, Washington DC, December, 2006.

Transactional Processes in the Emergence of Children's Early Conduct Problems. Symposium on Transactional Models: Past, Present, and Future, Center for Human Growth and Development and the Center for the Analysis of Pathways from Childhood to Adulthood, University of Michigan, Ann Arbor, MI, June 2, 2006.

The Development and Prevention of Conduct Problems in Early Childhood. First Annual Conference on Developmental Psychopathology, Adler Center for Research in Child Development and Psychopathology, Department of Psychology, Tel Aviv University, Israel, April 5, 2006.

The Development and Prevention of Early Conduct Problems: Translating Basic to Applied Research. Department of Social Policy and Social Work, Oxford University, UK, December 1, 2005.

The Development and Prevention of Early Conduct Problems. Keynote Address for 10th Annual Conference on Early Childhood, Early Childhood Council of Hillsboro County, Tampa, FL, November 18, 2005.

The Early Steps Project: A Family Based Prevention for Early Conduct Problems. Tenth Annual Conference on Early Childhood, Early Childhood Council of Hillsboro County, Tampa, FL, November 18, 2005.

A Family Based Prevention for Early Conduct Problems: A Model and Its Effectiveness Over Time. Keynote Address for Norwegian National Conference for Evidence-Based Methods, Oslo, Norway, November 1-2, 2005.

Pathways to Early Conduct Problems. Norwegian National Conference for Evidence-Based Methods, Oslo, Norway, November 1-2, 2005.

The Development and Prevention of Early Conduct Problems: A Tale of Two Studies. Centre for Addiction and Mental Health, University of Toronto, March 8, 2005.

Understanding and Preventing the Development of Early Conduct Problems. Department of Human Development and Applied Psychology, University of Toronto, Toronto, Canada, June 23, 2004.

Frontiers of Research in Early Aggression: What's in the Child and What's Not. Pennsylvania Head Start Association Conference, Harrisburg, PA, April 29, 2003.

Implications of Intergenerational Research for Prevention and Intervention. NIMH Roundtable on Intergenerational Research in Developmental Psychopathology, Bethesda, MD, June 2-3, 2003.

Understanding Early Conduct Problems and Their Persistence. Keynote Speaker, Australasian Human Development Association Conference, Waikhehe Island, New Zealand, July 7, 2003.

Longitudinal Findings and Pathways Leading to Early Conduct Problems. Workshop on Prevention and Treatment of Children's Conduct Problems, Royal Children's Hospital, Melbourne, Australia, July 11, 2003.

Models of Intervention for Toddlers at High Risk of Conduct Problems. Workshop on Prevention and Treatment of Children's Conduct Problems, Royal Children's Hospital, Melbourne, Australia, July 11, 2003.

Pathways to Early Aggression and Conduct Problems. Plenary Speaker for 17th National Training Institute, Zero to Three, Washington DC, December 7, 2002.

Pathways to Conduct Problems. Aggressive, Resistant and Delinquent Youths: Meeting the Treatment Challenge, Harvard Medical School, Boston, MA, November 14-16, 2002.

Trajectories of ADHD and Conduct Problems in Early Childhood. International Society for Research on Aggression, Montreal, Canada, July 28-31, 2002.

Family-Based Approaches to Treating Early Conduct Problems. Child Divisions Cluster (Divisions 16, 37, 53, & 54), American Psychological Association, Chicago, IL, August 22-25, 2002.

What Makes for Successful Career Research Development? Workshop on Making the Transition to Independent Scientist, Child Consortium, National Institute of Mental Health, Bethesda, MD, December 4, 2001.

A Model and an Intervention for Preventing Early Conduct Problems. Prevention Research Program, Johns Hopkins University, Baltimore, MD, November 16, 2001.

Pathways Leading to Early Conduct Problems, Department of Psychology, Duke University, Durham, NC, November 2, 2001.

Developmental Pathways of Early Conduct Problems, Distinguished Lecture in Psychology, Department of Psychology, University of New Orleans, New Orleans, LA, October 18, 2001.

The Genesis of Early Conduct Problems and Implications for Intervention, Grand Rounds, Department of Psychiatry, Tulane University, New Orleans, LA, October 19, 2001.

A Family-Based Intervention for Early Conduct Problems, Division 53 (Clinical Child Psychology), American Psychological Association, San Francisco, CA, August 25, 2001.

Pathways Leading to Early Conduct Problems. Department of Psychiatry, University of Chicago, Chicago, IL, February 14, 2001.

Positive Parenting and Young Children's Conduct Problems (with Dr. Frances Gardner) Department of Psychology, University of Oregon, Eugene, OR, January 26, 2001.

Identification of Toddlers At Risk for Later Conduct Problems. Pediatric Round Table on Infant Socioemotional Development, Johnson & Johnson Pediatric Institute, Palm Beach, Florida, January 10-14, 2001.

A Family-Based Prevention for Early Conduct Problems. Youth Violence Consortium, National Institutes of Health, Washington DC, December 12-13, 2000.

Antecedents of Early Conduct Problems. Regional Journalists' Seminar, Board on Children, Youth, and Families, National Academy of Sciences, Kansas City, MI, April 12, 2000.

A Family-Based Prevention for Early Conduct Problems. Oregon Social Learning Center, Eugene, OR, March 14, 2000.

Precursors of Childhood Antisocial Behavior. Department of Psychology, University of North Carolina at Greensboro, Greensboro, NC, November 12, 1999.

Pathways Leading to Early Child Conduct Problems. Oregon Social Learning Center, Eugene, OR, March 24, 1999.

Pathways to Early Externalizing Disorders: A Test of Moffitt's Early-Starter Hypothesis. National Institute of Mental Health, Developmental and Psychopathology Branch, Bethesda, MD, June 10, 1998.

Applying a Developmental Perspective to the Study of Early Externalizing Problems. Department of Psychology, Penn State University, State College, PA, November 14, 1997.

Pathways Leading to Preschool-Age Externalizing Disorders. Assessment of Infant and Toddler Mental Health: Advancing a Research Agenda by Integrating Basic and Clinical Approaches, Child and Adolescent Branch of the National Institute of Mental Health and Zero to Three, Bethesda, MD, October 6-7, 1997.

Developmental Precursors of Antisocial Behavior from Infancy to Early School-Age: Parent, Child, and Sibling Influences. Seventh Annual Conference for Human Development and Developmental Disabilities, Department of Pediatrics, Robert Wood Johnson Medical School, New Brunswick, NJ, May 2, 1997.

Developmental Precursors of Externalizing Behavior Problems: Sex Differences and Trajectories. Boyd McCandless Award Address, American Psychological Association, Toronto, August 11, 1996.

Developmental precursors of antisocial behavior in two cohorts of low income families, Colloquium for the Department of Psychology, University of Virginia, Charlottesville, VA, November 3, 1995.

Predicting early behavior problems using multiple informants and multiple risk factors: Results from two longitudinal studies of low-income children, MacArthur Research Network on Psychopathology and Development for NIMH-funded study, Services, Use, Need, Outcomes, and Costs in Child and Adolescent Populations, Washington DC, April 26, 1995.

Developmental Precursors of Antisocial Behavior: Parental Predictors. National Institute of Mental Health Workshop for Potential Applicants for Research to Prevent Youth Violence, Bethesda, Maryland, October 31- November 3, 1992.

CONSULTANT/COMMITTEE MEMBER

Advisory Member, Allegheny Initiative for Battling Inequities and Realizing Transforming Health Outcomes (BIRTH) Initiative, Allegheny County, PA, 2022-

Board of Advisors, Psychopathy Is, Abigail Marsh, Director, 2021-

Member, Health Resources and Services Administration grant to develop action plan to address social determinants of health that impact infant mortality. Allegheny County Maternal and Child Health Strategy Team. 2021-

Consultant, Home Visiting Applied Research Collaborative, Department of Health and Human Services, Health Resources, and Services Administration, Maternal and Child Health Bureau, 2021-

Member, National Early Relational Health Committee, David Willis, Chair. 2021-

White House Health Equity Task Force on behalf of American Psychological Association. Provided feedback and recommendations before document presented to President Biden, July, 2021.

External Expert Panel, Data and Safety Monitoring Board for the Helping to End Addiction Long-term (HEAL) Initiative, National Institute on Drug Abuse, 2020-2022.

Participant, MIECHV Developing Strategies to Facilitate Cross-Model Collaboration and Data Sharing Community of Practice, Johns Hopkins University, Child Trends, and James Bell Associates, 2019-2021

Consultant, Preventive Intervention for Behavior Problems in Infants from High-Risk Families, R01 funded by NICHD, Daniel Bagnier, PI, Florida International University, 2020-2025.

Consultant, Advancing Engagement and Efficacy of Interventions for Co-Morbid Sleep and Behavior Problems in Young Children, R01 funded by NICHD, Amanda Tarullo, PI, Boston University, Allison Miller, Co-I, University of Michigan, 2020-2025.

Chair, Internal Review Group for Psychosocial Development, Risk, and Prevention Study Section, National Institute of Health, 2019-2021

Advisory Board, Women, Infants, and Children Nutritional Supplement Program, Allegheny County, PA, 2019-

Executive Board Member, Family Check-Up Program, 2019-

Research Partner, Allegheny County Department of Human Services University/Government Research Partnership, 2018-

Consultant, Early Head Start Family and Child Experiences Survey, Office of Planning, Research, and Evaluation in Administration for Children and Families, 2018-

Site Visitor/External Reviewer, Institute of Child Development, University of Minnesota, 2018

Consultant, Atferdscenteret, Norwegian Centre for the Studies of Conduct Problems and Innovative Practice Ltd, Bond Study, 2005-2006, 2018-2023

Committee Member, Role of Research-Practice-Policy Partnerships in Optimizing Prevention Science, Planning Committee for 2017 Conference, Society for Prevention Research Meeting, 2017-2018

Advisor, Santa Fe Boys Educational Foundation, 2016-2018

Committee Member and Co-Chair, Internal Review Group for Psychosocial Development, Risk, and Prevention Study Section, National Institute of Health, 2016-2019

Local Advisory Board, Office of Child Development, University of Pittsburgh, 2016-
Reviewer for grants, Netherlands Organization for Scientific Research, 2015

Consultant, Training in Developmental Science to Improve Child Health and Well-Being, T32 Institutional Research Training Grant, Department of Pediatrics and Center for Human Growth and Development, University of Michigan, Julie Lemeng, PI

Reviewer, NSF Predoctoral Fellowships, 2014-2015

Committee Member, Internal Review Group for Interventions for Disorders Involving Children and Their Families, National Institute of Mental Health, 2013-2015

Consultant, the Early Childhood Innovation Partnership, Center on the Developing Child, Harvard University, the National Conference of State Legislatures, the National Governors Associations for Best Practices, 2011, Jack Shonkoff, PI

Academic Advisory Committee for the Center on Race and Social Problems, University of Pittsburgh, 2011, Larry Davis, Chair

Consultant, the School Reform and Beyond Project, Center for Advancing Research and Solutions for Society, University of Michigan and New York University, 2010-2013, Lawrence Aber, David Featherman, & Pamela Morris, PIs

Consultant/Reviewer, NIH Toolbox for Neurological and Behavioral Health, Emotion Domain, 2008-2010, Richard Gershon, PI

Consultant, Emotional Behavior Health Advisory Council, Nemours Health and Prevention Services, Newark, Delaware, 2008, Douglas Tynan, Director

Consultant, Genes, prenatal drug exposure and postnatal environment: An adoption study, NIDA, 2007-2012, Jenae Neiderhiser, PI

Consultant, Early Growth and Development Study: Phase II, 2007-2012, Leslie Leve, PI.

Consultant, Addressing behavior problems in preschool settings, NIMH, 2007-2018, Carole Upshur, PI

Consultant, Prevention of Mental Health Problems: A Public Health Approach. Report prepared on behalf of SAMHSA for US Congress, 2006.

Consultant, Mothers and Preschoolers Project, University of New Orleans, Department of Psychology, Laura Scaramella, Director, 2005-2010

Reviewer, Wellcome Trust, Division of Neurosciences and Mental Health, UK., 2005

Reviewer, National Health and Medical Research Council, Australian Government, Independent Referee for Training Fellowships, 2005

Consultant, Toddlers Without Tears Project, Centre for Community Research, Royal Children's Hospital, Melbourne, Australia, Jordana Bayer, Director, 2004-2008

Scientific Advisory Board, American Humane Society, 2004

Consultant, Informing the Prevention of Child Externalizing Problems with Behavior Genetic Methodology, Oregon Social Learning Center, Leslie Leve, Director, 2004-2006

Participant, Meeting on Intergenerational Research, National Institute of Mental Health and National Institute on Drug Abuse, October 20-21, 2003

Member, Youth Violence Consortium, National Institutes of Health, 2000-2003

Consultant, Institute for Social and Behavioral Research, Iowa State University and University of California at Davis, Rand Conger, Director, 2000-2009

Consultant, NIDA Research Meeting, Starting Early Starting Smart, in collaboration with Casey Family Foundation, 2002

Consultant, Rochester Youth Development Study, SUNY at Albany, Terrence Thornberry, Director, University of Colorado, 2001-2005

Consultant, Social Development Research Group, University of Washington, Seattle, WA, Karl Hill, David Hawkins, Directors, 2001-2012

Consultant, Knowledge Development Center, Casey Family Foundation, Seattle, WA, 2001-2002

Expert Panel, Networks of Centres of Excellence, Natural Sciences and Engineering Research Council of Canada, Canadian Institute of Health Research, October, 2000

Expert Panel, Workgroup on Young Children at Risk for ADHD and Related Behavioral Problems, National Institute of Mental Health Development and Psychopathology and Prevention Research Branch and the Department of Education Office of Special Education Programs Research to Practice Division, December, 2000

Advisory Board Member, National Evaluation of the Safe Schools/Healthy Students Initiative, Department of Justice and Health and Human Services, 2000-2004

Consultant, Safe Child, Strong Community Project, United Way of Miami-Dade Initiative, 2000

Reviewer, Israel Science Foundation, grant application, 2000, 2008

Reviewer, National Institute of Dental & Craniofacial Research, Special Grants Review Committee, October, 2000

Committee Member, NIH Center for Scientific Review RPHB-1, 2000-2001

Interim Chair, NIH Center for Scientific Review RPHB-1, June, 2000

Mentor, National Research Service Award (K-08), Oommen Mammen, M.D., Anger and Parent-to-Child Aggression, University of Pittsburgh, 2000-2004

Reviewer, Society for Research in Child Development Conference, 1997, 1999, 2001, 2003, 2005, 2007, 2009, 2011, 2013, 2015, 2017, 2019

Panelist, NIH Expert Panel on Youth Violence Intervention Research, October 28-29, 1999

Presenter, Workshop on Precursors of Antisocial Behavior, National Academy of Sciences, Board of Children, Youth, and Families, and the Institute of Medicine, May 24, 1999

Consultant, Oregon Social Learning Center, John Reid, Ph.D., Director, 1999-

Committee Member, Internal Review Group for Child and Adolescent Risk and Prevention, National Institute of Mental Health, 1996-1999

Reviewer, Guggenheim Foundation, grant application, 1999

Committee Member, NIMH Subcommittee on Taking Stock of Risk Factors for Externalizing Behavior Problems, 1998-2000

Consultant, Early Longitudinal Study of a Birth Cohort, Administration for Children, Youth, and Families, 1998

Consultant, Young Children's Adjustment to Familial Post Traumatic Stress Disorder, Tulane University, Department of Psychiatry, Dr. Michael Scheeringa, Director, 1998-2000

Consultant, Parent Depression and Infant Development Project, Oregon Research Institute, Jeffrey Cohn and Peter Lewinsohn, Directors, 1998-1999

Consultant, Center for Education and Drug Abuse Research, University of Pittsburgh, Ralph Tarter, Ph.D. Director, 1997-1998

Consultant, Improving Services for Severely Maltreated Children, State of New York, James Garbarino, Ph.D., and Jeffrey Haugaard, Ph.D., Directors, 1997

Consultant, MacArthur Research Network on Psychopathology and Development for NIMH-funded study, Services, Use, Need, Outcomes, and Costs in Child and Adolescent Populations (UNOCCAP), 1996

Consultant, Head Start/UNOCCAP Evaluation Project, Administration on Children, Youth, and Families, Department of Health and Human Services, 1996

Consultant, National Evaluation Project of Early Head Start Program, Administration on Children, Youth, and Families, Department of Health and Human Services, 1996

Committee Member, Pennsylvania Psychological Association Clinical Division Subcommittee on Psychologist's Role in Custody Determinations, 1990

Board of Directors, SUPPORT INC., Center for separated/divorced and single parent families, 1989-91

Committee Member, Greater Pittsburgh Psychological Association Task Force on Child Custody, 1989-90

ACADEMIC HONORS OF TRAINEES 1993-

Graduate Research Fellowship, National Science Foundation, 2024-2027, Julia Gajewski-Nemes

Mellon Graduate Fellowship, University of Pittsburgh, 2023-2024, to Luciano Dolcini-Catania.

Diversity Supplement Award, National Institute for Child Health and Human Development (NICHD/NIH), 2022-2024, to Julia Gajewski-Nemes (Primary Mentor).

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2022, to Julia Feldman.

Irvis Summer Diversity Fellowship, Dietrich School of Arts and Sciences, University of Pittsburgh, 2021-2022, to Julia Gajewski-Nemes.

Huey Award for Research, Clinical Psychology Program, University of Pittsburgh, 2022, to Julia Feldman.

KL2 Training Award, Institution grant from NIH to University of Pittsburgh, Department of Psychiatry, University of Pittsburgh, 2022-2025, to Paula Powe, MD (Co-Primary Mentor).

K23 Research Service Award, National Institute on Drug Abuse (NIDA), 2022-2025, to Maya Ragavan, MD (Co-Primary Mentor with Elizabeth Miller, MD).

Diversity Supplement Award, National Heart, Lung, and Blood Institute (NHLBI/NIH), 2022-2024, to Kendra Whitfield (Primary Mentor).

F31 Research Service Award, National Institute on Child, Health, and Human Development (NICHD), 2022-2024, to Julia Feldman (Primary Mentor).

K23 Research Service Award, National Institute on Drug Abuse (NIDA), 2022-2027, to Katherine Guyon-Harris (Co-Primary Mentor with Elizabeth Kranz, MD).

K01 Award from the Center for Disease Control, 2021-2023, to Lynissa Stokes, Ph.D. (Co-Primary Mentor with Elizabeth Miller, MD).

David and Grace Lazovik Grant. Clinical Program, Department of Psychology, University of Pittsburgh, 2021, to Luci Dolcini-Catania.

Sandra Russ Writing Scholarship, Developmental and Clinical Programs, Department of Psychology, University of Pittsburgh, 2021, to Kendra Whitfield.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2021, to Julia Feldman.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2021, to Kendra Whitfield.

KL2 Training Award, Institution grant from NIH to University of Pittsburgh, Department of Pediatrics, University of Pittsburgh, 2021-2023, to Katherine Guyon-Harris, Ph.D. (Co-Primary Mentor with Elizabeth Kranz, MD), superseded by K23 Award above.

Dietrich School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2021-2022, to Sonia Rowley.

Dietrich School of Arts and Sciences K. Leroy Irvis Graduate Fellowship, University of Pittsburgh, 2021-2022, to Julia Gajewski-Nemes.

Mellon Graduate Fellowship, University of Pittsburgh, 2021-2022, to Julia Feldman.

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2020, to Lindsay Taraban.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2020, to Katherine Hails.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2020, to Julia Feldman.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2020, to Lindsay Taraban.

Predoctoral Research Training Fellowship (F31), National Institute of Child Health and Human Development (NICHD), 2021-2022, to Lindsay Taraban.

Janet Taylor Spence Early Career Contributions Award, Association for Psychological Science, 2020, to Luke Hyde, Ph.D..

Merle Moskowitz Graduate Student Teaching Award, Department of Psychology, University of Pittsburgh, 2019, to Lindsay Taraban.

KL2 Training Award, Institution grant from NIH to University of Pittsburgh, Department of Pediatrics, University of Pittsburgh, 2019-2021, to Maya Ragavan, MD (Co-Primary Mentor with Elizabeth Miller, MD).

K12 Training Award, Consortium Institution grant from NICHD, Department of Occupational Therapy, School of Health and Rehabilitation Sciences, University of Pittsburgh, 2019-2024, to Angela Caldwell, Ph.D. (Primary Mentor).

Bassell Clinical Excellence Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2019, to Lindsay Taraban.

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2019, to Chardee Galán.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2019, to Chardee Galán.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2019, to Katherine Hails.

Annual Division 7 Dissertation Research Grant in Developmental Psychology, American Psychological Association, 2019, to Lindsay Taraban.

Huey Award for Research, Clinical Psychology Program, University of Pittsburgh, 2019, to Katherine Hails.

Mellon Graduate Fellowship, University of Pittsburgh, 2019-2020, to Katherine Hails.

Diversity Mini Grant, Diversity Committee, Department of Psychology, University of Pittsburgh, 2018, to Lindsay Taraban.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2018, to Lindsay Taraban.

Ruth Meyers Graduate Student Mentoring Award, Department of Psychology, University of Pittsburgh, 2018, to Lindsay Taraban.

Dietrich School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2018-2019, to Luciano Dolcini-Catania.

Mellon Graduate Fellowship, University of Pittsburgh, 2018-2019, to Chardee Galán.

Lazovik Student Research Grant Award, Clinical Psychology Program, University of Pittsburgh, 2017, to Lindsay Taraban.

Developmental Representative, American Psychological Association Science Student Council, 2017-2018, to Lindsay Taraban.

Dietrich School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2017-2018, to Julia Feldman.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2017, to Chardee Galán.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2017, to Lindsay Taraban.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2017, to Katherine Hails.

Underrepresented Student Workshop Travel Award, Society of Multivariate Experimental Psychology, 2016, to Chardee Galán.

Diversity Fellowship for Summer Research, Dietrich School of Arts & Sciences, University of Pittsburgh, 2016, to Chardee Galán.

Distinguished Student Service in Clinical Psychology Award, American Psychological Association, Division 12, Education and Training Committee, 2016, to Chardee Galán.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2015, to Elizabeth Shelleby.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2015, to Mary Gilliam.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2015, to Laretta Brennan.

Diversity Fellowship for Summer Research, Dietrich School of Arts & Sciences, University of Pittsburgh, 2015, to Chardee Galán.

Mellon Graduate Fellowship, University of Pittsburgh, 2015-2016, to Lindsay Taraban.

Underrepresented Student Workshop Travel Award, Society of Multivariate Experimental Psychology, 2015, to Chardee Galán.

Diversity Fellowship for Graduate Summer Research, Dietrich School of Arts and Sciences, University of Pittsburgh, 2015, to Chardee Galán.

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2014, to Elizabeth Shelleby.

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2014, to Laretta Brennan.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2014, to Elizabeth Shelleby.

Graduate Research Fellowship, National Science Foundation, 2014-2017, to Chardee Galán.

Dietrich School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2013-2014, to Katherine Hails.

Dietrich School of Arts and Sciences Irvis Fellowship, University of Pittsburgh, 2013-2014, to Chardee Galán.

University Honors College Scholarship, University of Pittsburgh, 2014, to Ari Fish.

Brackenridge Fellowship, University Honors College, University of Pittsburgh, 2014, to Jennfier Weidner.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2013, to Laretta Brennan.

Brackenridge Fellowship, University Honors College, University of Pittsburgh, 2013, to Ari Fish.

Predoctoral Research Training Fellowship (F31), National Institute of Mental Health, 2013-2014, to Elizabeth Shelleby.

Mary Callahan Undergraduate Research Scholarship, University of Pittsburgh, 2013, to Ari Fish.

Graduate Research Fellowship, National Science Foundation, 2013-2016, to Julia Reuben.

Huey Award for Research, Clinical Psychology Program, University of Pittsburgh, 2013, to Julia Reuben.

Mellon Graduate Fellowship, University of Pittsburgh, 2012-2013, to Elizabeth Shelleby.

Mellon Graduate Fellowship, University of Pittsburgh, 2012-2013, to Laretta Brennan.

Dr. John Knox Hall, Jr. Scholarship, University of Pittsburgh, 2012-2013, to Jamie Novak.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2012, to Luke Hyde.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2012, to Laretta Brennan.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2012, to Elizabeth Shelleby.

Predoctoral Research Training Fellowship in Behavioral Brain Research, National Institute of General Medical Sciences, 2011-2013, to Mary Gilliam.

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2011, to Luke Hyde.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2011, to Luke Hyde.

Dietrich School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2011-2012, to Julia Reuben.

Predoctoral Research Training Fellowship, National Institute of Mental Health, 2011-2013, to Sara Nichols (co-mentor with Celia Brownell, Ph.D.).

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2010, to Luke Hyde.

Research Service Award (K01), National Institute of Mental Health, 2010-2015, to Chris Trentacosta (co-mentor).

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2009, to Ella Vanderbilt-Adriance.

Mellon Graduate Fellowship, University of Pittsburgh, 2009-2010, to Luke Hyde.

Training Fellowship, International Summer School, European Adolescent Research Association and Society for Research on Adolescence, University of British Columbia, 2009, to Luke Hyde.

School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2008-2009, to Elizabeth Shelleby.

Mellon Graduate Fellowship, University of Pittsburgh, 2008-2009, to Ella Vanderbilt-Adriance.

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2008, to Emily Skuban.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2008, to Ella Vanderbilt-Adriance.

Predoctoral Research Training Fellowship in Behavioral Brain Research, National Institute of General Medical Sciences, 2007-2009, to Luke Hyde.

F31 Predoctoral Research Service Award, National Institute of Mental Health, 2007-2008, to Emily Skuban.

Mellon Graduate Fellowship, University of Pittsburgh, 2007-2008, to Ella Vanderbilt-Adriance.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2006, to Alyssa Oland.

Mellon Graduate Fellowship, University of Pittsburgh, 2006-2007, to Emily Skuban.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2004, to Emily Skuban.

Research Service Award (K01), National Institute of Mental Health, 2004-2009, to Jennifer Silk (co-mentor with Ron Dahl, M.D.).

Bassell Student Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2004, to Miles Gilliom.

Bassell Student Publication Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2004, to Joy Beck.

Lazovik Dissertation Award, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2003-2004, to Michael Schonberg.

F31 Predoctoral Research Service Award, National Institute of Mental Health, 2003-2004, to Michael Schonberg.

Ford Foundation Post-Doctoral Fellowship for Minorities, 2003-2004, to Monica Garcia.

School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2003-2004, to Ella Vanderbilt-Adriance.

Huey Award for Dissertation Research, Clinical Psychology Program, University of Pittsburgh, 2002, to Miles Gilliom.

School of Art and Sciences Graduate Expo, University of Pittsburgh, Award for Poster Presentation, 2001, to Joy Beck.

Max and Jennie Bassell Award for Excellence, Clinical Psychology Program, Department of Psychology, University of Pittsburgh, 2001, to Erin Ingoldsby.

School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2000-2001, to Stephanie Zerwas.

School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 2000-2001, to Alyssa Oland.

Predoctoral Research Training Fellowship, National Institute of Mental Health, 1999-2001, to Miles Gilliom.

School of Arts and Sciences Graduate Fellowship, University of Pittsburgh, 1998-1999, to Joy Beck.

Dissertation Research Grant, National Institute of Mental Health, 1998-1999, to Emily Winslow.

Mellon Graduate Fellowship, University of Pittsburgh, 1998-1999, to Erin Ingoldsby.

Undergraduate Research Supplement, National Science Foundation, 1997-1998, to Joella Lukon.

Dissertation Research Grant, National Institute of Mental Health, 1996-1997, to Elizabeth Owens.

Research Supplement for Minority Graduate Students, National Institute of Mental Health, 1996-1997, to Monica Garcia.

Ford Foundation Pre-Doctoral Fellowship for Minorities, 1995-1999, to Monica Garcia.
